PUBLIC STATEMENT

In the Name of Allah, Most Kind, Most Merciful

All praise is due to Allah Almighty, and may peace and blessings be bestowed upon His noble Messenger Mohammad (pbuh), His family and righteous companions.

By the grace and blessings of Allah Almighty, and the oversight of His Noble Messenger (pbuh), this blessed council - The Islamic Fatwa Council for Religious Guidance - has been established to serve, represent and protect Islam and the Muslim community.

This groundbreaking initiative, aims to please the Almighty alone, and to provide Muslims with a global legal body that issues Islamic laws applicable to all Islamic sects. The Islamic Fatwa Council will also serve as the council for Islamic jurisprudence and provide governments and professional organizations with advice on Islam and Islamic law.

A primary objective of the Islamic Fatwa Council is to reclaim the Islamic legal system from extremists, Islamists and supporters of terrorism. Religious law is sacred and must not be abused and misused for political power. The Islamic Fatwa Council will respond to deviant, hateful, violent and political Fatwas issued by extremist jurists.

We ask the Almighty to assist our efforts in fostering global peace, harmony, coexistence and understanding. Indeed, He is the All-Hearing, All-Seeing.

When you judge between people, judge with justice.
